

36<sup>th</sup> World Congress of Biomedical Laboratory Science

# IFBLS 2026

**Date** September 23<sup>rd</sup> – 27<sup>th</sup> 2026

**Venue** Makuhari Messe, Chiba JAPAN

## Theme

Bridge to the future of BLS around the world

## New Information

The registration for IFBLS 2026 is now available !

We call for abstract for general presentation (Poster presenter) !

The abstract deadline has been extended until May 31 !!

**Symposium and workshop** speakers were originally appointed; however, a limited number of positions will be open for application. Those who wish to be considered are invited to apply via the conference website. Please note that these positions are **not by invitation**, and therefore conference registration is required. Check our Homepage now !

## Student Forum

The Student Forum will be a roundtable discussion, and they can participate freely. No abstract is required. However, since each group will give a presentation at the end of the session, we kindly ask that you participate for the full time on the 23<sup>rd</sup> and until lunch seminar on the 24<sup>th</sup>, if possible.

## Group Registration Now Available

Save on IFBLS 2026 registration when you attend with your group.

Discounts are available for groups that **register 15 or more participants at the same time.**

The discount applies only to the Member and Non-Member registration fees and does not apply to Gala Dinner, Accompanying Person, Lab. Visiting / Sight Tour registration fees. To qualify for a discount on the member registration fee, all group members must belong to the same IFBLS association member country.

Group Category	Discount Rate
